Hi Martin,

Thanks for your email. It was great to hear all the news about your family and I was really happy to hear you passed your exams!

I'm looking forward to seeing you in England this summer! Thanks for sending a picture of your house. It looks beautiful and I like the garden very much. It's so full of flowers.

It's wonderful that your house is so near the railway station. I can't believe it only takes twenty minutes to get to the centre of London by train! We'll be able to **take a trip** there whenever we want. I'd like to see Buckingham Palace, because I've never seen a palace before. I hope we'll also be able to visit the British Museum. My father says it's one of the best museums in the world.

I'm going to send you a picture of my house. It's not as big as yours, but you'll be able to see that it's next to a beautiful park with lots of trees. I sometimes go there with friends. We talk a lot about school and music.

I'm not sure what clothes to take with me to England. Here, the summers are very hot and it doesn't rain, but I know that in England it rains torrentially, so I'm bringing an umbrella. Do I need a coat? What about clothes for swimming? You said we might go to the beach in Brighton, but I don't want to swim when it's raining!

I hope to hear from you soon,

Dorothy.
